I certify that when very unwell indeed from chronic Diarrhœa of many months standing I was cured in about a week or a fortnight by Motiwala's Dysentrodyne. I consider the medicine a wonderful specific for cases of Dysentery and Diarrhœa.

——, Colonel,
36th Regt. L. I., Madras.

Capt. Rawlinson, Madras Staff Corps, Sub-Assistant Commissary General, has spoken highly of your Dysentrodyne and Diarrhœa Mixture, the former medicine being the cause of saving his child's life.

D. P. DICKEN, Lieut.-Col.,
3rd Madras L. I., Kamptee.

I have tried your medicines in many cases, and they have never failed to cure. * * *

FRED. FANO,
Assistant District Settlement Officer, Parunda.

Those who have used your medicines speak well of them. * * *

J. J. VELLOZ,
Medical Practitioner, Nagpore.

A few doses of Dysentrodyne entirely cured me of a strong attack of Dysentery. This medicine, as also Motiwala's Cough Pills, have been used by different members of my family with equally good results.

CURSETJEE FARDUNJEE,
Ex-Sheriff of Bombay.

On trying Mr. Motiwala's "Vegetable Cough Pills," I found them effective in ordinary colds in the head, catarrhs, bronchitis, &c.

BURJORJEE FRAMJEE, G.G.M.C.,
Physician, Lowjee Wadia & Railway Dispensaries, Parel

I have tried the Pills prepared by Mr. D. B. Motiwala in cases of cold, cough, asthma, &c., and have found them efficacious.

K. H. MISTRY, L. M. & S.,
Surgeon, Indian Medical Department.

I have tried the Pills prepared by Mr. D. B. Motiwala in several cases of cold and coughs, and found them very efficacious.

H. BHOSLAY,
In Medical Charge Rohri, Sind.

I have tried Dysentrodyne, and have invariably found it efficacious in cases of Dysentery and Diarrhœa of all kinds.

COWASJEE PESTONJEE, G.G.M.C.,
Physician, Khetwadi Charitable Dispensary,
Teacher of Midwifery, Sir J. J. Hospital.

I have tried Dysentrodyne, and found the result very favourable. It is in my opinion worthy of a place in every family medicine chest.

K. V. CHATTAN KUTTRI,
Physician, Calicut Charitable Dispensary.

I found your Dysentrodyne of the greatest value. It checked and finally stopped a very obstinate attack of Dysentery. I have strongly recommended it to several gentlemen.

R. W. O'GRADY, Capt., R.A.,
In Charge the Arsenal at Madras.

I have heard Capt. Spencer Rawlinson speak very highly of your medicines.

E. O. LEGGATT, Col.,
Supt. Army Clothing, Madras.

I took only one dose of Motiwala's Diarrhœa Mixture, and though suffering severely from that complaint, combined with other ailments, I was quite relieved the following morning, and have not suffered from it since.

W. KELLY, Bandmaster,
H. M.'s 2-16th Regt., Cannanore.

I have tried Motiwala's white-labelled Dysentrodyne on my infant child, aged 4½ months, who was suffering from a severe attack of Dysentery, passing slime and blood for three days at no less than twenty-five times a day. Three doses of 4 to 6 drops each almost checked the complaint on the first day, and with another three similar doses on the following day effected a thorough and marvellous cure.

J. D. CONCEICAO,
Vakeel, Cannanore.

I have had Dysentery for the last two months and nothing seemed to do me any good. Your Dysentrodyne was recommended to me, and I feel much better after taking one bottle.

W. H. GREEN (of Lahore).

Your Dysentrodyne enabled me to save the life of a Brahmin acquaintance of mine who was suffering from strong chronic Dysentery, and passing blood at each stool ; had been eventually given up by his medical attendants. He has entirely been cured by this medicine in a marvellously short time.

COMMERCIAL INTELLIGENCE

WEDNESDAY EVENING, MAY 3.

ORIENTAL BANK SHARES are quoted by Reuter, £15 10s., Chartered £23, Hongkong £48 10s. and Mercantile £17. Three per cent. Consols had advanced to £101 17s. 6d., and Bar Silver is still given at 52 7-16. Other quotations are the same as yesterday. The reduced quotations for metals are repeated, viz., Wallaroo Copper £68, Braziers £74, and Yellow Metal 6¼d., the freight for dead-weight from London to Bombay being 12s. 6d. Coffee is quoted Mid-Plantation 67, Good Ordinary Native 45s, Native Mysore 50s.; the total stock being 17,000 tons, the week's landing 2,050 tons, and the week's deliveries 1,400 tons, Ceylon Cocoa-nut-oil is quoted £28, Cochin £34 10s.; total stock of all kinds 11,925 tons, month's loadings 1,100 tons, and month's deliveries 700 tons. The above quotations for Coffee are the same as given on the 25th ultimo, but oil is 5s. less for Ceylon and 10s. less for Cochin.

Wheat is unchanged, Club No. 1 being quoted to arrive *vid* Canal 45s. 6d., No. 2 43s. 6d., Hard Red 42s. On the spot Soft White is quoted as before: No. 1 9s. 2d., and No. 2 8s. 8d.

Linseed is quiet, Bombay spot 46s., to arrive 46s. 6d.

Rapeseed is quoted Guzerat Yellow spot 51s., and to arrive 48s., the market being firm.

Poppyseed to arrive *vid* Canal 43s. 6d., *vid* Cape 45s.

The Liverpool Cotton market seems to have been very dull yesterday, and the total imports for the day were 40,000 bales; only 8,000 bales were sold, of which 1,500 bales were Surats; and the quotation for spot Mid Upland is reduced to 1-16, September and October futures 1-32. Surats on the spot are unchanged but arrivals are easier, and the quotations given show slight reductions, say:—

Dholleras, Good, G. Clause,	April-May, Cape	5 9-32d.
Do.	do. May-June, Cape	5 5d.
Oomras, Good, G. Clause,	April-May, Canal	5 23d.
Do.	Fine, F. G. Clause, March-April, Cape	5 11-16d.

American advices report prices unaltered, both spot and arrivals; receipts 6,000 bales.

The market here has been quiet and lower, but a fair amount of business has been put through.

Fully Good Fair Oomras were done at Rs. 188 per candy, and Good at Rs. 196.

A large line of fully good Dholleras (Native selection) are reported as being done at Rs. 191 per candy, and European selection at Rs. 193 per candy. Good Dholleras and Bhownuggurs ready are still pressed for sale, and transactions are reported from Rs. 185 to Rs. 188 per candy, according to the style of the Cotton offered. For the month sales have been made at Rs. 189-190 per candy.

European Broach was sold at Rs. 230 per candy, and for Native the prices range from Rs. 227 to Rs. 220, at which latter figure we hear of a sale of a small quantity.

Sawgins have been done at Rs. 198 for the month.

Westerns are offering at Rs. 188 to Rs. 189 for F.G.F., and Rs. 183 to Rs. 184 for Good Fair, without finding purchasers.

Prices on the whole are very irregular, and especially the price of ready Cotton, which depends entirely on the need of the seller for ready money. Many of the dealers are pressed for funds, and cheap bargains can be obtained from sellers thus situated. They can hardly be called market rates, as they are by no means the rule.

EXCHANGE for this mail is firm at the undernoted rates. For forward delivery 1-32 under our quotations can be done for the mail of the 12th, and another 1-32 for after the 1st June. Francs can also in the same way be done ½ cent. lower for each of these mails. Quotations of the day are:—

	Tel. Demand.	3 months.	4 months.
Banks	1 8 3-16	1 8 7-16	1 8 15-32
	1 8⅛		
	3 months.	6 months.	
Credits	1 8 17-32	1 8 11-16.	
Documents	1 8 9-16	1 8⅛.	
Francs	216⅛	218⅛.	

FREIGHTS.—Canal rates are steady at 35 for Liverpool. There is more inquiry for tonnage for the U. K. and Continent for May loading, but there are very few steamers offering. Cane freights keep firm. The Cape Comorin has filled up at 52-6, and the Kenyon is booking orders at the same rate.

The Bank of Bombay to-day reduced its rate of discount 1 per cent. all round. As this, however, was to a great extent anticipated, there has been no excitement in the Stock markets in consequence.

GOVERNMENT PAPER is firm at 101 11-16 for 4 per cents. and 108¼ for 4½ per cents., and there have been large transactions at these rates.

The market for Spinning shares has again been strong to-day, and further advances have to be made in our quotations, of Rs. 5 to Rs. 25 per share.

Other shares are strong at quotations.

Bank of Bombay has been done at Rs. 781½. Bombay and Burmah Trading are, however, weak at a decline of Rs 10, and Kurrachee Landing Company at a decline of Rs. 5.

Calcutta telegrams of to-day quote 4 per cent. Loan 101⅞, and 4½ 108⅝.

LAST evening the officers of the B. B. and C. I. Railway Company gave a dinner to Mr. F. Mathew, who leaves India by the mail steamer to-morrow. About 60 gentlemen were present. The health of the guest of the evening was proposed by Mr. Sleater. Mr. Mathew made an appropriate reply. Col. Hancock proposed prosperity to the B. B. and C. I. Railway and Mr. Wood, the new agent, responded. Mr. G. Geary proposed "Success to Railway Enterprise in India," to which Mr. Mathew replied. The toast, "The health of the guests" was proposed by Mr. Carroll and responded to by Bishop Meurin. We hold over a report of the speeches.

NOTICE is given in the *Gazette of India* that the birthday of Her Majesty the Queen, Empress of India, will be kept in India on the 24th inst.

WE regret to see that cholera has appeared at Rajkote, where 30 new cases occurred during the week ended on the 25th April, 12 of which proved fatal ; and that the disease is increasing in Satara. There is cholera also in Tanna and Belgaum.

THE Bank of Bombay yesterday reduced its rates of interest and discount one per cent. all round.

SIR STEUART BAYLEY left Hyderabad on Monday, and is expected at Simla by the end of the week.

A LETTER from our Hyderabad correspondent on the subject of Sir Steuart Bayley's departure for Simla is crushed out from to-day's paper by the pressure of local news.

A CORRESPONDENT writes :—"In your report of the Corporation meeting held last Monday, I notice an important omission in Dr. Cook's account of what took place at the meeting of the Medical and Physical Society, when the Reservoir question was discussed. Dr. Cook should also have mentioned that after Dr. Blanc's amendment had been disposed of Dr. Wellington Grey's original resolution was carried by a majority of eleven to seven, the majority containing nine European members of the society, and the minority only four. The public may as well know the truth in the matter as not."

AT a largely attended meeting of Mussulmans of Bombay held on Saturday last, it was decided to establish a society to be called the "Bombay Mahomedan National Association." A number of members were at once nominated, and H. H. Aga Shahbudin Shah was elected President, and Kazi Shareef Abdul Latiff Loneday and Moolla Bhai Sahib Mahomedbhai Vice-Presidents. A managing committee was also appointed.

THE Mahomedan address to the Queen, which we publish this morning in another column, has been very neatly engrossed on vellum with an illuminated border, and has been deposited in a handsome silver casket for despatch to Her Majesty, through the local Government.

NINE persons, concerned in different robberies, have been captured by the Administrator of Sanguem (Goa). Some of them belong to a gang that has committed dacoities within the frontiers of British India.

LOCUSTS have made their appearance at Astragar and Embarbacem (Goa), and caused great damage to plants and cocoanut-trees.

THE following notification appears in the last *Gazette of India* :—Under the provisions of the Act of Parliament 24 and 25 Vic., Cap. 104, Section 7, the Governor-General-in-Council has been pleased to appoint Mr. Jones Quain Pigot, B.A., Barrister-at-law, to officiate as a Judge of the High Court of Judicature at Fort William in Bengal, *vice* the Hon'ble C. Pontifex, on furlough.

IT appears to be the fact that Mr. A. G. Harrison did take ship for England from Calcutta. The *Madras Mail* says : "Mr. Harrison was recognised by two or three people here when he touched at Madras in the B. I. S. India. He was booked for London."

THE Government of India, the *Pioneer* believes, are prepared to consider favourably the proposals of the Burmese Envoy so far as they relate to the re-opening of the British Agency at Mandalay.

THE Burmese Embassy arrived at Simla on the 30th April in fourteen tongas, and were conducted to the Nabha Rajah's house, previously engaged for them by the Government of India, whose guests they are while at Simla. The next morning a salute was fired in their honour. Mr. Ilbert arrived at Simla on April 30, and is the guest of the Viceroy for a few days. A formal meeting of Council was to be held on the 1st inst., at which he would take his seat.

THE case in connection with the Commissariat Department which was brought against Mir Mujibuddin, tehsildar of Jhelum, was decided on the 26th April. The tehsildar was found guilty of receiving illegal gratifications and tampering with the tehsil price-current register, and sentenced to three years' rigorous imprisonment and a fine of Rs. 500.

THE weather at Jubbulpore is fairly described by a correspondent of an up-country paper as peculiar, considering that "the thermometer stood at 60° very early this morning outside, and now indicates 84° inside the house at 2 p. m."

DR. HUNTER and the other members of the Educational Commission are at present taking it easy after their recent labours in Calcutta. But there is more work in store for them, and for the President in particular. Dr. Hunter will undertake an extensive tour, which will bring him to the Bombay Presidency in September and October next.

CAPTAIN AND BREVET MAJOR M. N. G. KANE, who served through the whole of the Afghan campaign with his regiment, the 72nd Highlanders, has been appointed Brigade-Major at Chatham. Major Kane entered the service in 1867, and passed out of the Staff College in 1878. For his services in the late campaign he received the brevet of Major, and was three times mentioned in despatches.

LIEUTENANT-COLONEL G. H. HOGGAN, of the Bengal Staff Corps, who is about to retire, has held command of Fort Shabkadar on the Peshawur frontier since February last year. He entered the service in April, 1854, and served in the 4th Bengal Native Infantry before joining the Staff Corps. Colonel Hoggan, if he remained in the service would not succeed to his allowance till 1892, when within a few months of 58 years of age.

ON the return from leave of Colonel F. H. Jenkins, C.B., commandant Corps of Guides, Brigadier-General Kennedy, C.B., commanding Punjab Frontier Force, will be allowed the 90 days' privilege leave specially granted for service in Afghanistan, and the current duties of the brigade command will be carried on by Colonel Jenkins during his absence.

COLONEL GRAHAM, Commandant of the Calcutta Volunteer Rifles, goes home on twelve months' furlough.

IN view of the approaching customary distribution of honours on the Queen's birthday, the *Civil and Military Gazette* asks :—"Why should not C. I. E.'s be bestowed upon Volunteer officers ? The Volunteer movement is one of very great importance. Lord Ripon is himself an enthusiastic supporter of the movement, and the bestowal of a decoration upon the officers who have most prominently been connected with it would be appreciated by the rank and file of the force, and the public at large. As for the Punjab, Lieutenant-Colonel Peterson at Simla, and Major Higgins at Lahore, might be selected for the distinction." And for Bombay, we may add, Captain Tennent, who has often been called the real founder of our local Corps, should be the first to be decorated.

THE Allahabad paper says the Viceroy will not visit Gwalior next cold weather. "This visit could easily have been paid last year, when the Viceroy was actually at Agra, if it had been considered desirable, but the only purpose it could have effected was equally answered by the visit which the Maharajah paid to His Excellency on that occasion."

THE reports of the Revenue and Agricultural Department on the state of the season and prospects of the crops throughout India for the week ending the 25th April are summed up in the following "General Remarks" :—Slight rain has fallen in the North-Western Provinces and Oudh, in the Central Provinces, in Assam, and in the Bombay Presidency. In Bengal, Madras, Mysore and Coorg, and British Burmah the rainfall has been more or less general, although more is still wanted in some places in Bengal. Scarcity of drinking-water is still reported from Dharwar in Bombay. The recent rain in Mysore has been beneficial as far as it goes, but the wet crops continue indifferent. Harvesting of rabi crops is in progress in the Punjab, with good prospects, and has almost been completed in the Bombay Presidency and in the North-Western Provinces and Oudh, with good or fair results generally. In Bengal the spring rice crop, which is now being harvested, is expected to yield a good outturn. In the Madras Presidency reaping of crops still continues, with outturn on the whole an average one. In one taluk of the Bellary district the dry standing crops are reported to be partially withering. In the Central Provinces threshing and winnowing of rabi crops still go on, and harvesting of wheat is in progress in the Central India States. General prospects continue to be good throughout the country, and land is being prepared for kharif sowing in Bombay, Berar, and the Central Provinces ; while in Assam and Bengal ploughing and sowing continue.

THE *Madras Mail* understands that the present Maharajah of Vizianagram is about to revive the race-meetings which were formerly held at that pleasant station. The last meeting was held in 1878, since which time, on account of the late Maharajah's death, no meeting has taken place. It is intended to hold the next meeting in next Christmas holidays, so that there will be, probably, a fair attendance. The late Maharajah was famous for his horses and his hospitality ; nor is there, the Madras paper thinks, any likelihood of the present holder of the title being one whit behindhand. The prospectus is expected to be issued shortly.

THE *St. James's Gazette*, writing three weeks ago of the feeling caused by the announcement that the release of Mr. Parnell was merely temporary and on *parole* for a special private purpose, said :—"The disappointment amongst English Radicals is also great, though it is not of precisely the same character. They being more thoughtful than the Irish peasantry, did not of course believe in the unconditional release of the suspects. The view they naturally took of Mr. Parnell's liberation was that their own opinions and arguments had told upon the Cabinet ; that the Government had at last perceived that to keep the Land League chiefs in gaol was really to imprison the only men in the country whose influence could check agrarian crime ; and that Mr. Parnell was probably to be consulted, in freedom, upon the conditions upon which he and his friends would consent to aid rather than embarrass the Executive in the restoration of order. A great deal has been written from time to time in favour of this as the only politic course—the one remedy that commends itself to thoughtful men ; and its adoption has been more strenuously urged during the last few days than ever. The cry of despair with which Mr. Gladstone dismissed the House of Commons last week, his acknowledgment that the Government stood all but powerless in face of his newly discovered social revolution, justified the view that Mr. Parnell had been released as a preliminary to negotiations which should end in the liberation of the suspects ; and we must therefore admit that such an interpretation of that gentleman's deliverance from prison was not altogether unwarranted. But it is not the true one, apparently, though we have yet to learn what the upshot may be." The *St. James's Gazette* appears to have been unusually prescient in this paragraph, judging by the telegram to hand this morning.

GOOD news for timorous horsemen. A very successful contrivance for the prevention of buck, jumping has been recently invented by Mr. H. McGhee, Riding Master of the 10th Royal Hussars. The apparatus, which consists of a special bit and bridle, has been tested upon several troublesome subjects with good results, as the animals tried were not only effectually stopped from bucking at the time, but made no attempt to resume it afterwards when ridden in an ordinary bridle. The committee which was formed to report upon Mr. McGhee's bridle have, it is said, expressed a favourable opinion of it, and have recommended that it should be tried in all cavalry and battery riding schools.

THE HINDU ADDRESS TO THE QUEEN.

THE following reply from the Bombay Government has been received by Sir Munguldas Nathubhoy respecting the Hindu address of congratulation to Her Majesty the Queen :—

POLITICAL DEPARTMENT.

Bombay Castle, 1st May, 1882.

From the Hon'ble J. B. Peile, C. S. I., Acting Chief Secretary to Government, Bombay, to Sir Munguldas Nathubhoy, Kt., C. S. I.

SIR,—I am directed to acknowledge receipt of your letter No. 25, dated 18th April, 1882, forwarding, for transmission to Her Majesty the Queen and Empress, an address voted to Her Majesty by the Hindu community of Bombay on Her Majesty's recent escape from assassination.

2. In reply, I am to inform you that the sentiments of loyalty and devotion to the Crown expressed in the address have given great satisfaction to His Excellency the Governor-in-Council, who has caused the address to be forwarded to the Government of India for submission to Her Majesty through the Secretary of State.—I have, &c.,

J. B. PEILE,
Acting Chief Secretary to Government.

THE MAHOMEDAN ADDRESS TO THE QUEEN.

AN influential meeting of the Mahomedan community of Bombay was held on Saturday evening last, at the residence of His Highness Aga Shahbudin Shah, in Love-lane, Byculla, for the purpose of signing the address of congratulation to the Queen-Empress of India, on her recent providential escape from the hands of an assassin. There were present the following gentlemen :—H. H. Aga Shahudin Shah (in the chair), Messrs. Shaik Mahomed Abdool Latiff, Mahomed Nubeekhan, Abdool Rahiman bin Minee, Hajee Sulliman Wahidina, Khan Bahadur Meer Abdool Ali, Kazi Sheriff Abdool Latiff Loneday, Khan Bahadur Dr. Shaik Hyder Cassim, Messrs. Mirza Hoossein Khan, Aga Abdool Hoossein Sherazee, Captain Shaik Cassim, A. D. C. to H. E. the Governor, Messrs. Abdool Aziz, Goolam Ali Goolam Hoossein, Mirza Moosa Cousar, Mahomed Sadick Nimazee, Goolam Mahomed Moonshee, Shaik Noor Cassim, Abdool Rezzeck bin Curtas, Ali bin Amir, Meerza Ahmed, Aga Hajee Mahomed Ismael Curmanee, Kurreem Khan, Secretary to H. H. Aga Ali Shah, Adumjee Peerbhoy, Moonshee Mahomedali Gharay, Hajee John Mahomed Hajee Joosoof, Wullibhoy Khanbhoy, Ahmed Saleh bin Abdool Rahiman, Kaderbhoy Kureembhoy, Hajee Jakria John Mahomed, Subedar Major Syed Azum, H. M.'s 21st Regt. N.I., Subedar Syed Nubbee, H. M.'s 21st Regt. N. I., Jamedar Native Adjutant Kadur Khan, H. M.'s 21st Regt. N. I.

The President opened the proceedings by saying that the gentlemen present were called together that day to sign the address to Her Majesty, which is as follows :—

"To the QUEEN-EMPRESS'S MOST EXCELLENT MAJESTY.

MAY IT PLEASE YOUR MAJESTY,—We the Mahomedan citizens of Bombay desire respectfully to offer our most heartfelt congratulations to your Majesty, and sincere thankfulness to almighty God for protecting the life of your Majesty from the hands of an assassin.

Ever since your Majesty was crowned Sovereign, on the 21st June, 1837, your Majesty's reign has been characterised by the greatest beneficence towards your Majesty's subjects of all castes, creeds, and denominations scattered over all parts of the world, and has evoked the admiration and respect of both sovereigns and subjects of other nations.

Your humble subjects who now address your Majesty are deeply sensible of the numerous blessings which your Majesty's unexampled rule has already conferred and is still further capable of confering on this land ; and their fervent constant prayer is that your Majesty's invaluable life may long be spared to enable your Majesty to continue to dispense such blessings, that your Majesty's reign may if possible be crowned by the Almighty with even greater lustre, and that Heaven's choicest blessings may ever be showered on your Majesty and the Royal Family."

The address is very handsomely executed : green—the colour of Islam—predominates. The address is to be placed in a beautifully chased silver casket lined with crimson velvet, and having the following inscription engraved thereon :—

"Address of congratulation by the Mahomedan community of Bombay to the Queen-Empress's Most Excellent Majesty, on the happy preservation of Her Majesty's life on the 2nd March, 1882."

After the address was signed, it was proposed by Mr. Abdool Rahiman bin Minee, and seconded by Hajee Sulliman Wahidina, "that the thanks of the Mahomedan community be given to the Chairman, members of the managing committee, and the two Honorary Secretaries for the very satisfactory manner in which they carried out the wishes of that community in the preparation of a congratulatory address to the Queen-Empress's Most Excellent Majesty."

Carried with acclamation.

A BOMBAY MAHOMEDAN NATIONAL ASSOCIATION.

The President, H. H. Aga Shabudin Shah, in returning thanks, said,—It is very gratifying to the managing committee and to the Honorary Secretaries to learn that the manner in which they have discharged the responsible duty entrusted to them has met with your approval ; and the special object with which the committee was formed having been fulfilled, it only remains in ordinary course to dissolve it. But before doing so, I desire to avail myself of this opportunity of suggesting the advisability of forming in Bombay a permanent Mahomedan National Association, such as exists in Calcutta. It is true that there are several small circles, called Anjumans, but they do not represent the Mahomedan community as a body, and their sphere of usefulness is limited ; and it is no less strange than true that "out of evil good comes." This has been exemplified on the present occasion, when the Mahomedan community, as a large body unconnected with any of the small circles to which I have alluded, spontaneously assembled to express their congratulations and elected a body of its own to put these congratulations into shape, and to communicate them in an address to the Queen Empress's Most Excellent Majesty, the Resolution respecting which has already been acknowledged through the Right Hon'ble the Secretary of State as "loyal and affectionate." I am therefore of opinion that the present is a most fitting occasion on which to lay the foundation of such an association as I propose, and I beg, therefore, to submit that the following gentlemen be elected members of the Bombay National Mahomedan Association:—His Highness Aga Shabudin Shah, Messrs. Moolah Bhai Sahib Mahomedbhai, Shaik Mahomed Abdool Latiff, Aga Mahomed Abdoolhusein, Abdool Rahiman bin Minee, Hajee Sulliman Wahidina, Aga Abdul Hoosein Sheerazi, Captain Shaik Cassim, A. D. C. to H. E. the Governor, Kazi Shureef Abdool Latiff Loneday, Khan Bahadur Meer Abdool Ali, Fazulbhoy Visram, Hajee Currem Mahomed Jafferbhoy Khan, Bahadur Hony. Surgeon Shaik Hyder Cassim, Shaik Moosa Abdool Latiff, R. M. Sayani, Merza Hoosain Khan, Merza Moosa Cousar, Mirza Hussun Khan, Moonshi Goolam Mahomed, Jairajbhoy Peerbhoy, Kurreembhoy Ebrahim, Jeomabhoy Laljee, Moojeebhoy Visram, Rhymoobhoy Allana, Hajee Hussunbhoy Visram, Rhymoobhoy Allana, Hajee Zukeria Ahmed, Hajee John Mahomed Hajee Joosuf, Moulvi Heediatoola, Moulvi Syed Abdool Futtah, Hajee Kassum Joosuf, Mahomed bin Curtas, Ali bin Amir, Shaik Esaw bin Khulifa, Ahmed bin Esaw Khulifa, Shaik Adum Esoofbhoy, Hajee Kassum Joosuf, Moonshi Mahomed Ali Gharay, Hajeebhoy Lalljee, Fuzloolah Moola Hiptoolah, Vullubhoy Khanbhoy, Adumjee Peerbhoy, Adum Hajee Mahomed, Hajee Peer Mahomed Alarucki, Hajee Cosman Alarucki, Rhymutoola Sullaman, Hajee Kassum Mitta Sett, Peeroo Mahomed, Hajee Ebrahim Hajee Ahmed Patel, Mooljeebhoy Jeewraj, Abba Essaw Sett, Hassun Hirjee Mitta Sett, Mir Mahomed Ahmed Patel, Aga Syed Mirza, Aga Mahomed Jaffer Ispahani, Aga Hajee Mahomed Ismael Curmanee, Aga Mahomed Tucki Bubani, Syed Emmadoodeen Purgadey, Hajee Moosa Sullaman, Hajee Ahmed Kureem Chanseey, Ibrahim Jeomabhoy Hajee Haroon, Hajee Abba Ismail, Hajee Isaac Sobe, Hajee Saboo Seedick, Hajee Adum Ismael, Joosut Lucca, Rhymutoola Joonas, Sulaman Joonas, Nanseo Charaj, Rhymutoola Kharaj, Abdoolah Ahmed Ali Mundkee, Syed Azum Subedar Major, Syed Nubbee Subedar, Shaik Nore Cassim, Kadur Khan Native Adjutant, Dawoodbhoy Ibrahimbhoy, Kadurbhoy Curreembhoy, Mir Sahib Abdoolahbhoy, Goolam Ali Goolam Hoosein, Kazee Shaik Ahmed Moorgay, Mirza Ahmed, Noordin Ibrahim, and Hajee Tyeb Rhymutoolah."

Khan Bahadur Honorary Surgeon Shaik Hyder Cassim said : I feel very great pleasure in seconding the proposition, which I have no doubt will meet the cordial assent of all present. The want of such an association has long been felt, and its establishment cannot but tend to the benefit of the community to which we belong, under the rule of a paternal and liberal Government such as that of Her Most Gracious Majesty the Queen, Empress of India. The motion was carried unanimously.

It was proposed by Mirza Moosa Cousar, and seconded by Mr. Moonshee Goolam Mahomed, "that H. H. Aga Shabudin Shah, the son of H. H. the Hon'ble Aga Ali Shah, member of the Legislative Council of Bombay, be elected president of the Bombay National Mahomedan Association, and Kazi Shareef Abdool Latiff Loneday, Kazi of Bombay, and Moolla Bhai Sahib Mahomedbhai (head priest of Borahs in Bombay) be elected Vice-Presidents. Carried unanimously.

It was next proposed by Mr. Abdool Rizzuck bin Curtas, and seconded by Mr. Aga Mahomed Nubbee Khan, "that the following gentlemen be elected members of the managing committee, with power to add to their number, to frame rules and regulations for the conduct of the association and to report their proceedings at a general meeting on or before the 15th June next, and of which due notice will be given : H. H. Aga Shabudin Shah, President ; Messrs. Moolla Bhai Sahib Mahomedbhai and Kazi Shureef Abdool Latif Loneday, Vice-Presidents ; R. M. Sayani, Hajee Kurreem Mahomed Sulaman, Hajee Sulliman Wahidina, Shaik Mahomed Abdool Latiff, Shaik Moosa Abdool Latiff, Khan Bahadur Meer Abdool Ali, Khan Bahadur Hony. Surgeon Shaik Hyder Cassim, Abdool Rahiman bin Minee, Abdool Ruzack bin Curtas, Mirza Hoosain Khan, Aga Mahomed Nubbeekhan, Aga Abdool Hosain Sheerazi, Mirza Moosa Cousar, Moonshee Goolam Mahomed, Jairajbhoy Peerbhoy, Fazulbhoy Visram, Joomabhoy Lalljee, Moojeebhoy Jewraj, Moulvi S. Abdool Futtah, Shaik Esaw bin Khulifa, Ahmed bin Esaw Khulifa, Vullebhoy Khanbhoy, Adumjee Peerbhoy, Shaik Adam Essoofbhoy, Kurreembhoy Ibrahim, Goolam Ali Goolam Hoosein, Hajee Cassum Joosuf, Hajee Kassum Meeta Sett, Ali bin Amir, Captain Shaik Cassim, Adam Hajee Mahomed, Hajee Cosman Alarucki, Hajee Jakria John Mahomed : and that the Joint Secretaries be Khan Bahadur Honorary Surgeon Shaik Hyder Cassim and Mr. Mirza Moosa Cousar.

A vote of thanks to the Chairman, proposed by Khan Bahadur Mir Abdool Ali, and seconded by Mr. Goolam Hoossain, was passed ; and the meeting dissolved with an expression of thanks to Mr. Mirza Moosa Cousar for their trouble in interpreting the proceedings in the Urdu language.

DINNER TO E COMPANY, B. V. R.

CAPTAIN WYER and Lieutenant Roughton invited the members of their company to dinner, at the Apollo-bunder, on Tuesday evening, to meet Colour Serjeant Melvin, previous to his departure for Europe. About fifty members sat down, and there were present Major-General Hewett, Captain Proudfoot, and Captain Brown. The dinner was admirably served by Messrs. Green and Read.

The loyal toasts having been honoured,

Captain Wyer rose and said.—General Hewett and gentlemen,—We are come to the end of our season with, on the whole, satisfactory results. Your attendance on parade has been very fair throughout. Latterly it was extremely good, and at the two final parades the number of E Company present was, comparatively speaking, the largest of any company in the regiment. There were upwards of fifty on parade on both occasions, and the appearance of the company was creditable to the regiment and gratifying to your officers. It would, I am sure, be better for us all were the company a little larger, and although I by no means wish my company to become unwieldy, yet it would be an advantage were its numbers increased, so that a turn-out every Saturday of fifty might be depended on ; and to this end I trust you will all of you endeavour to secure recruits for the company during the present off-season, and that at the commencement of next drill season each of you will be able to state that he has brought one recruit to the company. The shooting of the company has not been so satisfactory, and, with the exception of a few, the shooting of the company has been confined to the annual course of class-firing. Of course, the fact that our range is so far off is chiefly accountable for this ; and the shooting of the company, and generally of the Bombay companies of the corps, would show a wonderful improvement were the range nearer at hand. Our Poona and Kirkee brethren have an immense advantage over us in this respect. But in spite of all drawbacks, some of E Company have distinguished themselves this season, particularly Lance Corporal J. Sharp and Colour Serjt. W. F. Melvin. Colour Serjt. Melvin, as you all know, was well to the front in every match at our late annual meeting, and for the second year in succession he won the silver medal for the second highest aggregate score. Lance Corporal Sharp in his class-firing was champion shot, not only of the company, but also of all the Bombay companies, and was beaten by three points only by the great Kirkee crack, Serjt. Murray, as champion shot of the corps. In commemoration of this success, and as promised by Lieutenant Roughton and myself at the commencement of the season, I take this opportunity to present Lance Corporal J. Sharp with this trophy, and I am sure you will all join with me heartily in drinking his health as champion shot of E Company for 1882.

Captain Wyer then presented a handsome tankard to Lance-Corpl. Sharp, who, in returning thanks, promised to do his best for the honour of the company.

Captain Brown proposed the toast of the evening, "Success to E Company." He congratulated the company upon having such good officers, and upon their appearance on parade.

Captain Wyer and Lieutenant Roughton suitably responded.

Captain Wyer said.—General Hewett and gentlemen,—I have to trouble you again to listen to me for a few minutes more ; but I cannot let this occasion pass without referring to the approaching departure of Colour Serjeant Melvin, who goes to Europe next mail, perhaps never to return to Bombay. Colour Serjeant Melvin has been my right-hand man ever since the corps was started. He has attended parades with the most exemplary regularity, and by assiduous practice at the butts he has established for himself the reputation of being one of the steadiest and best shots in the regiment. We are very proud of our Colour Serjeant, and I am sure that you all hope with me that his absence from Bombay will only be of short duration. While wishing Colour Serjeant Melvin a pleasant visit to Scotland, I have to thank him very much for the hearty co-operation and assistance he has always given me towards furthering the interests of the company since the corps was established ; and I beg of him to accept the accompanying trifle as a souvenir of his connection with E Company. Neatly graven on the cup are the words "E Company, B. V. R., Colour Serjeant W. F. Melvin, on his leaving Bombay May, 1882." And I ask you all to drink his health, and wish him a safe voyage to Europe and a speedy return to Bombay.

Colour Serjeant Melvin replied in appropriate terms.

"The healths of Major-General Hewett and Captain Proudfoot" were proposed. Both General Hewett and Captain Proudfoot paid a high compliment to Captain Wyer, who, they said, knew his duties and was able to give the word of command, and drill, as well as any officer in the line. Other toasts were proposed ; and a very pleasant evening was brought to a close by the band of the B. V. R. playing the National Anthem.

VOLUNTEER PRIZE SHOOTING.

THE following are the conditions of the new Bayley Challenge Shield, presented by Major the Hon. L. H. Bayley to the B. V. R. Corps :—

2. The Shield to be returned to the Adjutant 14 days before the annual distribution of prizes won at the Rifle Association meeting.

4. A member winning the Shield will be held responsible for its safe custody from the time it is made over to him until it is returned to the Adjutant, and his receipt obtained for it.

5. The names of the winners, their scores, and the year for which held will be recorded on the Shield by the donor.

MEETING OF THE BENCH OF JUSTICES.

A MEETING of the Justices of the Peace was held yesterday afternoon, in the Durbar-room of the Town Hall, to elect a member of the Municipal Corporation in the room of Mr. F. Mathew, resigned. Mr. Dosabhoy Framjee, C. S. I., presided, and there were also present Messrs. Ardesheer Dosabhoy Moonshee, Purshotum Odhowjee, Ranchordas Narottumdas, E. Freeborn, S. N. Cooper, N. R. Ranina, Fazulbhoy Visram, Dhakjee Cassinathjee, Byramjee Jeejeebhoy, C. S. I., N. Byramjee Jeejeebhoy, Anandrao Narayen Wassoodew, W. Maidment, Nusserwanjee Chandabhoy, G. Gilder, K. N. Kabrajee, A. B. Portman, Sir Frank Souter, Messrs. E. Walton, H.W. Barrow, Jehangeer Dosabhoy Framjee, Hurkisondas Narotumdas, A.F. Moos, Gunpatrao Moroba Pitale, D. S. Kemp, Manackshaw Jehangeerjee Cooper, Shankerao Balkrishnajee Pitale, L. M. Valadares, Nusserwanjee Byramjee, Rahemoobhoy Allana, Cureembhoy Ebrahim, Major-General Hewett, Messrs. J. R. Duxbury, B. N. Sirvai, Shantaram Vithal, Homejee C. Dady, Dr. S. H. Cassim, Messrs. G. N. Gama, Tribhowndas Varjeewandas, Rao Nana Moroba, and Khan Bahadur Byramjee Dadabhoy.

The Chairman said.—Gentlemen, you have been invited here this afternoon to elect a member in the room of Mr. Mathew, who has resigned his seat on the Corporation, owing to his intended departure for Europe. I am sure that there is but one opinion as to the value of the services which Mr. Mathew has rendered to this city for the last eight years as a member of the Municipal Corporation, and for some time as a member of the Town Council also. (Applause.) Being an able and experienced engineer, and a gentleman of sound practical sense, his presence in the Town Council and Corporation during the discussion on the important questions of drainage and water-supply was highly beneficial. This is not the place to enumerate Mr. Mathew's other merits as a citizen, but I need say here is that he has been one of our foremost citizens, always ready to co-operate in all works of usefulness, benevolence, and charity ; and he will carry with him to his native land the best wishes of our citizens, both Europeans and natives. (Applause.) Mr. Macfarlane, who is to be proposed in Mr. Mathew's place, is not, I am glad to say, an untried man. He is unopposed, and I have now to call upon Sir Frank Souter to propose him to you formally. His nomination has been already sent in, in accordance with the requirements of the Municipal Act. (Applause.)

Sir Frank Souter said that Mr. Macfarlane was very well known to them all as one of their oldest citizens, having an intimate acquaintance with the city and its inhabitants. Also his social position and other qualifications would, he (Sir Frank) was sure, satisfy them that he would be a very great acquisition to the Corporation. (Applause.) The speaker then proposed the election of Mr. John Macfarlane as a member of the Municipal Corporation in the place of Mr. Mathew.

Mr. Byramjee Jeejeebhoy, C. S. I., seconded the proposition.

After examining the voting lists, the Chairman declared that Mr. Macfarlane was duly elected a member of the Corporation.

Major-General Hewett proposed a vote of thanks to the Chairman, which was unanimously carried.

plaintiffs in the suit, and a daughter. He had made his will about a month previously, whereby the defendants and another were appointed his executors. After making certain bequests, Jafferjee bequeathed the residue of his property to the plaintiffs in equal shares, to be divided between them when they attained the age of 21 years. Probate of the will was granted to the defendants on the 6th March, 1876. Defendants had received the share of Jafferjee in the joint family property, amounting in value to over Rs. 1,70,000. The plaintiffs believed that since their father's death the estate had been managed almost entirely by the first defendant, who held a power of attorney from the second. In January, 1879, the first defendant, Heerjeebhoy, sent the plaintiffs to Nowsari, and caused them to reside with a Parsee family there. In October, 1881, he had them brought to Bombay, and kept them in his house at Grant-road, which the first plaintiff left a short time ago, but the second was still residing there, contrary to the feelings and customs of the Borah community, to which the plaintiffs belonged. Defendants had not yet filed any account of the estate come to their hands, although frequently requested to do so. Plaintiffs believed that the defendant Heerjeebhoy had wasted and misapplied considerable portions of the estate, and used them for his own purposes. As guarantee broker to Messrs. Ritchie, Stuart and Co., he was liable to make good to them all losses upon consignments made through them at his instance. A sum of Rs. 2,800 was due to Messrs. Ritchie, Stuart and Co. by Dorabjee Rustomjee Dhabbar, and another in respect of a consignment for which Heerjeebhoy was responsible. He fraudulently advanced to Dhabbar a large sum out of Jafferjee's estate, whereby it had sustained a loss of about Rs. 5,000. Heerjeebhoy fraudulently sold a piece of land at Dadur belonging to the estate for Rs. 2,400 to one Hurukchund Crushnajee Josey, an appraiser in the Custom House, in the hope that Hurukchund might be useful to him in passing his goods through the Custom House, although he (Heerjeebhoy) was offered Rs. 3,400 by another person for the same piece of land. Heerjeebhoy also improperly sold another piece of land at Bhendy Bazaar, belonging to the estate, whereby a loss of about Rs. 1,000 was caused to the estate. In 1877 he advanced to his brother-in-law, Cowasjee Jehangir Jussawalla, a sum of Rs. 10,000 out of the estate upon the mortgage of a bungalow at Tardeo and its furniture. Cowasjee subsequently repaid the sum, with interest thereon; but the defendant Heerjeebhoy, instead of crediting it in the books of the estate, applied it to his own purposes. Notwithstanding that, he filed a suit in the High Court against Cowasjee to recover the sum of Rs. 10,000 and interest, and for a sale of the mortgaged properties. After the suit had been heard for many days, and just before the hearing concluded, Heerjeebhoy consented to the dismissal of the suit, and agreed to pay Cowasjee's costs. Plaintiffs believed that Heerjeebhoy forged several false documents for the purposes of the suit, which he used therein, and also gave false evidence in it. He consented to the dismissal of the suit, because he was afraid that criminal proceedings would have been directed or permitted to be taken against him if the hearing had been coupleted and judgment passed therein. The plaintiffs submitted that Heerjeebhoy was liable to repay to the estate the sum of Rs. 10,000, with interest from the day on which the sum was repaid by Cowasjee, and that no portion of the costs should be paid out of the state. Heerjeebhoy had rendered to the plaintiffs no account of the estate, although requested to do so. The plaintiffs were apprehensive that the estate might be further wasted, and they submitted that Heerjeebhoy was not a proper person to be entrusted with the management thereof, and that a receiver ought to be appointed.

The defendant Heerjeebhoy, in his written statement, denied the material allegations of the plaint. The value of the estate which came to the hands of the executors was, he said, Rs. 1,63,000, for which he was prepared to account as the court might direct. The second defendant, being a high-priest, did not wish to attend personally in courts of law or other offices, and gave the defendant Heerjeebhoy a general power of attorney to enable him to manage the estate; but he (Heerjeebhoy) always consulted him in all matters of importance, and did nothing without his approval The guardians appointed for the plaintiffs having refused to act, Heerjeebhoy made arrangements and sent the plaintiffs to Nowsari, where they were looked after by the headmaster of the High School. In all that he subsequently did, the defendant was actuated solely by kindness towards the plaintiffs. He denied that he had ever been asked to file an account of the estate, or had wasted or misapplied any portion of it. In the matter of the loan to Dhabbar and the sale of the pieces of land, he had acted *bond fide* for the benefit of the estate. He denied that he had forged documents, or was afraid of criminal proceedings, in connection with the suit brought against him by Cowasjee Jehangir Jussawalla. He was prepared to give credit to the estate for the Rs. 10,000 advanced to Cowasjee and interest thereon. He had already done so, and he did not desire to charge the estate with any portion of the costs. He denied that the plaintiffs had asked him to furnish an account of the estate.

The second defendant, admitting that he had executed a general power of attorney in favour of Heerjeebhoy to manage the estate, said he was not aware that Heerjeebhoy had wasted or misapplied any portion of it. He was not aware of the circumstances or motives which actuated the defendant Heerjeebhoy in advancing moneys or making sales of land belonging to the estate; but he took no part in such loans or sales. He was quite willing that the estate should be administered by the court, and that he should be relieved of all responsibility in respect of the estate.

Mr. Budroodin, on inquiry made by the court, said his client was willing to have a receiver appointed.

The judge remarked that, under those circumstances, it was his impression that a receiver must be appointed.

Mr. Starling, having been allowed time to consult his client, the defendant Heerjeebhoy, said that, after the intimation from the court, and on the understanding that a receiver was not appointed because the court considered the charges in the plaint established, he consented to the appointment of a receiver.

The judge.—As to the charges, I will express no opinion.

The judge then made an order that the estate should be administered by the court, and an account be taken. Mr. J. Flynn was appointed receiver, with a commission of 2 per cent. on assets come to his hands. Costs reserved. Liberty to either party to apply.

MAY 2.

(Before the Hon'ble Mr. Justice BAYLEY, in chambers.)

IN THE MATTER OF THE ESTATE AND EFFECTS OF ALLADEENBHOY HUBIBBHOY.

MR. R. M. SAYANI, obtained, on Tuesday last, an order from his Lordship to the effect that the following petition of Mr. C. A. Turner, Official Assignee, might be taken on file.

The petition set forth that the petitioner, Mr. C. A. Turner, felt himself aggrieved by appeals against the judgment order and decree of the Hon'ble Mr. Justice Bayley, Commissioner of the Insolvency Court, dated the 5th April, 1882, whereby a rule dated the 5th February, 1882, was made absolute, and the petitioner was ordered to pay to Rahimbhoy Hubibbhoy the amount of dividend in respect of Rs. 1,93,067-3-7, being the debt alleged to be due to him by the insolvent Alladeenbhoy Hubibbhoy as assignee of the Delhi and London Bank, Limited, together with interest and costs, out of the estate and effects of the insolvent, now in the petitioner's hands and subject to his control, for the following among other reasons:—That the learned Commissioner was wrong in making the rule absolute and in ordering the petitioner to pay the moneys; that the Commissioner ought to have abstained from hearing, or, at any rate, making any order on the rule until after the determination of suit No. 473 of 1881, which has been brought by the petitioner against Ahmedbhoy Hubibbhoy for the recovery of a very large sum of money; that the Commissioner ought to have held that the petitioner was entitled to the dividend, on the ground that it belonged to the estate of Alladeenbhoy Hubibbhoy, and that the debt due by him to the Delhi and London Bank had been purchased by Ahmedbhoy Hubibbhoy in the name of Rahimbhoy Hubibbhoy with the moneys and for the benefit of Alladeenbhoy Hubibbhoy; that the Commissioner was in error in expressing an opinion that the probabilities were that the petitioner would not succeed in the suit No. 473 of 1881, and relying on such opinion in making the order now appealed from; that the Commissioner ought to have acceded to the petitioner's request and heard the evidence *viva voce* before making any order on the rule; that the Commissioner ought not to have decided the matter of the rule on affidavits, without giving the petitioner the opportunity, which he had applied for, of cross-examining the deponents who had made the affidavits in support of the rule; that the Commissioner was wrong in his order made on the rule, even taking the evidence as it stood on the affidavit, and under the circumstances disclosed in the affidavits filed on behalf of the petitioner. The petitioner therefore prayed that the matter of the petition might be inquired into.

A RELIGIOUS DISPUTE AMONGST PARSEE PRIESTS.

A CASE is at present being tried by the Subordinate Judge of Bulsar, in which the Parsee priests of Udwara, as a body, claim to prevent the priests of Nowsari from performing certain religious ceremonies, by right of a very old understanding between the two communities. Messrs. Pherozeshaw and Telang represent the plaintiffs and defendants respectively. As far as we can gather from the long reports published in the native papers, it would appear that by an agreement entered into by the priests of Udwara and Nowsari, certain classes of religious ceremonies cannot be performed by the latter without the sanction of the former. Recently a Parsee lady built a Tower of Silence in Khergaum, a village near Bulsar. She invited a couple of Nowsari *mobeds* or priests to consecrate the new structure. The priests of Udwara immediately objected to this, and claimed as their ancestral right to perform the ceremony. The Parsee lady not agreeing to this, a suit was filed in a British court for the establishment of this claim. A writ of injunction was issued, and the case was argued before the Subordinate Judge for some days. Though the main point has not been settled, the court has temporarily removed the injunction; and the ceremony will be performed by the Nowsari priests.

CHARGE OF LIBEL AGAINST A NATIVE EDITOR.

AT the Fort Police Court yesterday, the charges of libel, criminal intimidation, and insult, preferred by Mr. Haikhoshru N. Kabrajee, editor of the *Rast Goftar*, against Mr. Muncherjee Cowasjee Lungrana was further proceeded with before Mr. Ryan.

Mr. Pherozeshaw M. Mehta appeared for the prosecution, and Mr. Lang for the accused.

Mr. Kabrajee, in his examination by Mr. Pherozeshaw, said that besides being paid as editor of the *Rast Goftar* and *Sri Bodh*, he derived further income by doing other literary work. The *Satya Mitra* had no distinct policy of its own. It wrote sometimes in favour of, and sometimes against, social reform among Parsees. The defendant had written a great deal against the Gaen Mandli; but had written in favour of it since witness resigned the membership of the Mandli. (Counsel put in some articles which appeared in the *Satya Mitra* in favour of the Gaen Mandli since Mr. Kabrajee left it.) Witness continued that the defendant was in favour of native theatrical companies in which boys acted as girls. The defendant had taken favourable notice of the company which brought upon the stage an English girl. Among the orthodox Parsees there was no objection to the stage as such. Witness started the Natuch Ootejak Mandli for the purpose of rescuing the native drama from low associations. A strict code of rules was drawn up for its guidance. Among orthodox Parsees there was no objection to freemasonry on principle. Freemasonry among the Parsees was respectably conducted. Witness had been prosecutor in three other libel cases, and was uniformly successful. There was now no objection among Parsees to their ladies attending mixed gatherings. As a matter of fact, Parsee ladies of the most orthodox families did attend such gatherings. Witness wrote some articles against Maharajes, at the time when the case of the Maharaj of Jamnagar was pending. The Maharaj was convicted, and on that occasion the divine claims of the Mahrajes were set up. The *Rast Goftar* had always opposed and denied these claims. On the last occasion the instances which witness cited in support of his argument were historical, and most of them had been brought out in the Maharaj Libel case. In publishing those instances he had avoided all personal reference to the wives and daughters of Maharajes. Divine claims were also set up with regard to the wives and daughters of the Maharajes. He was taken to task in respect of the publications against the Maharajes by the *Bombay Gazette* of the 29th September, 1881. The article in the paper was based upon a misconception. Witness replied to the article, and his letter appeared in the next day's *Bombay Gazette*.

Mr. Pherozeshaw here read and put in the article and the complainant's reply thereto.

Witness, continuing, said that for about a month after he wrote the articles upon the Maharajes the *Satya Mitra* had not a word to say about them. After the publication of the editorial paragraph and the letter in the *Bombay Gazette*, the *Satya Mitra* reproduced the paragraph, omitting from it the remarks complimentary to the *Rast Goftar*. A portion of the criticism against the *Rast Goftar* was printed in the *Satya Mitra* in italics. In September, 1881, when the articles about the Maharaje's appeared in the *Rast Goftar*, the paper had 1,723 subscribers. In December of the same year, the circulation increased to 1,740, and at present it was over 1,750.

The case was then adjourned until Saturday.

BENGAL.

A NOVEL TREAT.—On Friday night some three hundred children belonging to the different schools under Dr. Thoburn's management was treated to a moonlight drive on the tramway. A number of cars were engaged for the children, which carried them up to Dalhousie Square, thence up to Bhowanipore along the Chowringhee line, and then back to the Methodist Church in Dhurrumtollah, where the children were dismissed to their homes. Light refreshment were served out to the party in the trams, and very enjoyable moonlight drive was brought to a close at about 10 p. m.—*Englishman.*

THE BURMESE AMBASSADOR AT CALCUTTA.—At about 3 o'clock on the afternoon of Friday, April 21st, the Burmese Ambassador, accompanied by the European officer in charge of the Embassy, an Aide-de-Camp, and two of his personal attendants, visited the Calcutta Mint. At the premises, His Excellency was received by Colonel Tenant, the Mint Master. The Ambassador was dressed in rich silk and one of the attendants bore on his shoulder a sword sheathed in a golden scabbard. They were conducted by the Master of the Mint to the several departments of the institution, where they witnessed the process of coining, stamping, &c., and seemed apparently pleased with what they saw.—*Indian Daily News.*

DEATHS IN CALCUTTA.—During the week ended the 22nd April, there were 212 deaths registered in Calcutta, giving a death-rate of 25·5 per thousand per annum. In the previous week there were 247 deaths, and the death-rate was 29·7 per thousand. There were 3 deaths from small-pox, 52 from cholera, 45 from fevers, 15 from tetanus, and 3 from causes not specified. The deaths are thus classified: 8 Non-Asiatics Christians, 148 Hindus, 56 Mahommedans, and 5 of other races. The Health Officer adds the following remarks:—Three deaths registered among Non-Asiatics and five among mixed races: General death rate low. Cholera abating.

A DELIBERATE MURDER.—A few days ago Chitpore was a scene of a cold blooded murder. The culprit was a Mahomedan, and his victim a woman who was living under his protection. It appears the man, having reason to suspect the fidelity of the woman, inflicted six ghastly wounds on her head and body. The instrument used was a chopper, and the deceased was actually hacked to death. The assassin, after committing the crime, repaired to the local thannah, and gave himself up as the murderer, giving the circumstances in detail in connexion with it. He was arraigned before his Honor, Nawab Abdool Luteef Khan Bahadoor, at the Sealdah Police Court, on Saturday last, and pleaded guilty. After the medical testimony had been recorded, the prisoner was committed to the ensuing sessions to stand his trial.—*Englishman.*

THE NEW LIEUTENANT GOVERNOR.—The Lieutenant-Governor and Mrs. Rivers Thompson, accompanied by Captain Schalch, A.D.C., visited on Saturday evening the Eden Hospital. They were met at the entrance by Dr. Coates, the Principal of the Medical College, and Dr. McConnell, and were shown all over the buildings. We understand that as soon as the arrangements have been completed for the supply of water to the new hospital, the women and children now in the Medical College Hospital will be transferred to the new buildings. The Lieutenant-Governor expressed his wish that these arrangements should be carried out without delay. It is in contemplation to clear the surrounding premises of the huts and native houses with a view to the construction of a museum and lecture rooms. It is also intended that there shall be a covered way between the house built for the nurses and the new institution. This morning, His Honor will inspect the Alipur Reformatory school, and in the evening will visit the Sibpur Engineering College.—*Englishman.*

MADRAS.

CHOLERA IN MYSORE.—It is reported from Mysore that cholera has made its appearance in an epidemic form. There were 40 cases between the 21st and 27th of this month, out of which 20 were fatal, and most of these in Naserabad. The disease, however, has shown itself in the surrounding villages of Ettigagode, Iranagere and Agrahar, and every thing is being done to prevent its spread into other parts of the town. At the suggestion of Mr. Sausman, Civil Surgeon, Mysore, the Deputy Commissioner is having quarantine camps established. —*Bangalore Post.*

COLONEL JOHNSON.—We much regret to learn that Colonel W. R. Johnson, who left Bangalore recently in the hope of restoring his health, had, during his voyage home or soon after his arrival, an unmistakeable paralytic stroke. Following so soon after the epileptic fits from which he suffered previous to his departure, it is feared that this shock has seriously damaged his already impaired constitution. General regret will be occasioned by this melancholy news; for Colonel Johnson's estimable social qualities had endeared him to a large circle of friends.—*Bangalore Post.*

N.-W. PROVINCES, PUNJAB, AND OUDH.

MUSEUM AT JEYPORE.—The first Report of the Jeypore Economic and Industrial Museum has been published by Dr. Hendley, its Honorary Secrtary, and is a most readable interesting, and encouraging document. In 1879, the late Maharaja abolished a Museum of Natural History begun some years before, and in November 1880, Surgeon Major Hendley was requested by the Resident, Eastern Rajputana States, to draw up proposals for a new one, which will ultimately be accommodated in the new Albert Hall now rising at Jeypore. The attendance has satisfactorily demonstrated that those for whose benefit it is intended gladly avail themselves of the opportunity afforded. During the first three month of the current year, the total number of visitors was 203,451, of whom rather more than half were women and children. There is a great future for a Museum in Rajputana, owing to the remarkable richness of this part of the Empire in antiquities, arts, and natural products, and Dr. Hendley seems to have fully grasped the subject in all its bearings, while there is a modesty and practical good sense in the ideas set forth, which cannot fail to produce valuable results.—*Civil and Military Gazette.*

THE ATTACK ON CAPTAIN FULFORD.—Lieutenant Colonel Johnstone, Sessions Judge of Peshawur writes to the *Civil and Military Gazette*:—The account you give of Captain Fulford's assailant in your issue of the 15th instant, is totally incorrect. The assassin was not a Mulla, and in no way connected with the Pir Sach family. He was a laborer, who had been working in cantonments, and is said to have been half mad. His father was a resident of Rigi, a village not far from cantonments, who fled to the hills some years ago on account of a murder he committed. He having shot Captain Fulford not far from my gate was purely accidental. No Judge has ever been attacked in the Punjab, and I have no reason to believe the Pir Sach or any one else bear me any animosity as my trial of the case was a matter of duty, and it was decided by the Chief Court after hearing the best counsel in Lahore for the defence. I had less to do with it than either the Judges who finally decided it, for the committing Magistrate and Police who found the evidence; but I have no cause to imagine that any resentment is felt against them either. Doubtless, revenge may be meditated against the murdered man's son and the witnesses for the prosecution. The reference to me, I think most uncalled for. I am sorry it should have been made, and it would have been wise of you to have suppressed that portion of the letter of your correspondent who would have done well to have limited himself to facts.
